FUNCTION SPACES

THE MEZZANINE

A great private function area for larger groups. The Mezzanine is perfect for birthdays, Christmas functions or company dinners. It features its own private bar, facilities and exclusive use of the Bethells Room for a quiet space or storage for coats and bags during the evenings.

Our screen and projector is available for all those embarrassing birthday photos and a microphone is at the ready for speeches.

OUTSIDE AREA

A lovely space for smaller groups up to 50 people. This area contains two large tables and three high leaners. It's enclosed with heating in the cooler months. Perfect for a casual function or drinks with friends.

BETHELLS & PIHA ROOMS

The perfect spot for a working seminar or day time meeting. The Bethells or Piha Rooms can be set up in a U-shape, classroom style or theatre depending on your needs.

Our team will be happy to cater with an all day tea/coffee station and special morning/afternoon tea menus.

Got a large group to host? Talk to our Events Manager to tailor a customised event for you and your guests across the entire venue

EXTRAS

MUSIC AND ENTERTAINMENT

Our in-house sound system covers all areas of the venue. We have a great range of music playing up until 10pm on weekends when our DJ kicks in to get the dancefloor going with all your favourites.

BEVERAGES AND BAR TABS

We supply an extensive range of New Zealand's top wines, tap and bottle beers, spirits and non-alcoholic beverages. There are a number of ways to set up and operate different bar accounts for you:

FULL BAR TAB - You can specify the range of beverages available as well as the spend limit. Your guests will charge the full amount of their drink onto your tab. Our staff will keep track of you and your guests spend throughout the evening and will advise when this is reached. You can then increase the tab limit or choose to move it over to a cash bar.

SUBSIDISED BAR TAB - Our 50/50 bar tab option is very popular for large groups. Your tab will last generally longer and your guests are happy with cheaper drinks. This option is where half the price of the drink will go on the tab and the other half will be paid for by the guest. Again our staff will keep track of your spend and once the limit is reached you can increase or move to over to a cash bar.

CASH BAR - Your guests can pick and choose as they please from the full beverage list and pay individually at the bar.

VIP TAB - You may like to have a small handful of special guests on a full bar tab with all types of beverages available to them throughout the night. Ask our Events Manager for more details.
